

Prophetic Seminar 2024

EXPERIENCE THE OVERFLOW

SECOND WIND, "ENTERING THE ENLARGMENT WELL."

Do you have an eye and a desire for the prophetic; as a prophetic community, we are determined to do our part to dig wells this season. It's time to unlock your destiny and see what God has placed in you. The season is shifting, and as a result, our focus must too. Are you hungry for God? Do you find yourself longing for more of Him and feel an unction that there is more required for me and dissatisfaction that I'm settling for a status quo forming mindset? Your appetite is changing. This is your season to emerge as a destiny-maker. The things that used to satisfy you have lost their taste. It's time to **"Busta Move."**

The Lord is doing a new work in you as your desire for Him increases and the old you falls away; you will begin to heed the calling for a deeper place with Him as a new community of prophetic leaders is **"Arising,"** and you are invited to take your stance by utilizing the tools you will gain. Give your yes to Him at this year's Prophetic Seminar; we are gathering as a Prophetic community who desires to please the Bridegroom by fully surrendering, just as He did on the Cross. We are willing to answer the call to step into the deep. Are you sensing the urgency and call to follow, so those in your tribe can follow you? His invitation to the wedding table is available to have what is offered this season, but you have to work to get it.

An Apostolic Mindset with a Kingdom Anglinment.

Our Apostolic mindset focuses on Hearing the voice, Understanding the Word of God, Discerning and cultivating gifts and talents, and challenging believers to taste and see that the Lord is God by taking opportunities to advance the Apostolic assignment in a radical timeframe while unifying the melting pot of believers.

Where is Prophecy From.

Are prophetic words or declarations from the Lord to be manifested in the hearing for His children for kingdom issues? Prophecy is not always defined the same as we all hear God differently, but we have the same motivation, which is to accomplish His will through Grace. Remember, we all can prophesy, which comes from God and is known as a revelation gift, the revealed gift to guide, warn, correct, and encourage the church, bringing glory to God.

Revelatory gifts are the Word of knowledge, wisdom, Discerning of Spirit, and Prophecy, for we all can prophesy.

WHAT WE WILL DISCUSS.

Encounter God “Digging”

The Lord is doing a new work in you, stirring your longing for His presence above all else. As you immerse yourself in deep waters and wells, you will establish a more precise call of your identity in Christ Jesus.

Align with your Prophetic Season

The season is shifting, and God wants to meet You. As you press to deepen your connection to Him and hear from Him clearly, you will receive wisdom, understanding, and knowledge to avail yourself of God daily.

The rules of Decreeing, Prophecy, and Interpretation

When you obey God, life bears fruits. The word decree speaks to God’s commands and laws by legal authority over our lives. We must ask ourselves whether we operate in the jurisdiction to decree, prophecy, or give interpretation. Do we avail ourselves to be used by God for kingdom business? Joel 2:32 tells us that whoever calls “Decree” shall be delivered, the book of Joel states that sons and daughters shall prophecy (Joel 2:28), and Revelation 1:1 tells us that the Lord has revealed the prophetic truth, and we will be changed by it.
